

ADVANCED SEMINAR

Polygraph Testing for the Identification, Treatment and Monitoring of Sex Offenders March 11-15, 2019

(APA Recognized Post Conviction Sex Offender Testing Course)

A forty (40) hour program of continuing education designed to assist polygraph examiners in conducting tests to identify sex crime offenders in pre-conviction situations and to work within a post-conviction containment / multi-disciplinary approach to protecting society from sex crime offenders.

Seminar content includes:

- Understanding pre and post – conviction diagnostic and screening exams.
- New (to some) testing approaches for:
 - Testing reported sex crimes and the crime of conviction
 - Testing unreported and not charged sex acts
- Three approaches to testing the sexual history
 - Updated sexual history documentation
- Target selection and test questions for specific and screening exams
- Reporting Examination Results
- Psychological dynamics of sex crime offenders
- Countermeasures

PROGRAM SPEAKERS:

Charles (Chuck) E. Slupski. A polygraph examiner of thirty years, Chuck is an American Polygraph Association recognized examiner and instructor for Post Conviction Sex Offender Testing as well as the Director and Primary Instructor of the American International Institute of Polygraph. Emphasizing quality polygraph basics, Chuck provides a common sense approach to identifying sex offenders and conducting appropriate testing thereafter.

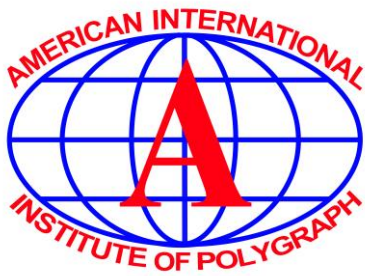

Tracy Alvord. A licensed counselor since 1992 and a Georgia Department of Corrections approved provider for the treatment of sexual offenders, with extensive involvement in Family and Children Services organizations, Tracey has provided expert witness testimony in domestic violence, substance abuse and sex offender predator cases. Tracey is a Member of the Association for the Treatment of Sexual Abusers (ATSA), a Board Member of Georgia ATSA since 1998, and President January 2011-December 2012.

POST CONVICTION SEX OFFENDER TESTING (PCSOT)
Polygraph Testing for the Identification, Treatment and Monitoring of Sex Offenders
(American Polygraph Association Recognized PCSOT Course)

Presented by the American *International* Institute of Polygraph (AIIP), this **forty (40) hour course** is designed to assist the experienced polygraph examiner in conducting quality specific issue exams for the identification of sex offenders; in understanding the sex offender and getting confessions; in conducting instant offense and sexual history disclosure exams of sex offenders; and, in conducting maintenance and monitoring exams for the treatment and supervision of sex crime offenders.

Department of Corrections & Police Examiners:

Sex Offenders must first be identified so they can become “POST CONVICTION.” Accordingly, this course includes not only polygraph testing considerations unique to Post Conviction Sex Offender Testing but also Polygraph Theory/Concepts for Pre & Post Conviction Testing; Comparison Question Techniques; Mixing Issues / Crossing Targets; Testing on “fantasy” instead of actual behavior; Administering Sex Offense Suspect Testing; Sex Offenders: Scope of the Problem, Sexual Disorders, Myths about Sex Offenders, Fantasy, Cognitive Distortion, Sex Offender Denial; Victimization and Impact on Polygraph Testing; Pre – In- & Post Test Considerations in Reported Victim Testing; Target Selection, Test Question Construction, and Countermeasures.

False allegations by correctional inmates against staff and internal investigations related to inappropriate sexual behavior allegations can be expedited, saving time and money, by properly administered polygraph examinations.

The training is from 8:00 AM to 6:00 PM, Monday through Thursday and from 8:00 AM until noon, Friday. Members or applicants for membership in the American Polygraph Association (APA) can take the APA recognition exam at noon, Friday.

The primary program speakers will be Charles (Chuck) E. Slupski and Tracy L. Alvord. Chuck is a polygraph examiner of thirty years; an APA recognized examiner and instructor for Post Conviction Sex Offender Testing as well as the Director and Primary Instructor of the American International Institute of Polygraph. Tracy is a licensed counselor with extensive experience dealing with sex offenders in treatment, confinement, risk assessments, and in the courtroom providing expert witness testimony for probation / parole revocations and dealing with high risk offenders. She is a member of the Association for the Treatment of Sexual Abusers (ATSA).

The **training location** will be the main classroom of the AIIP at 619 Highway 138 West, Stockbridge, GA 30281. Lodging is normally available at the Travelodge Inn & Suites by contacting the AIIP. The daily rate is \$51.00, plus tax.

The cost of the course is only \$500.00. Lodging, meals & transportation are not included in this cost.
