**ADVANCED POLYGRAPH TESTING FOR THE IDENTIFICATION,
TREATMENT AND MONITORING OF SEX OFFENDERS
(APA Recognized Advanced Post Conviction Sex Offender Testing Course)**

A forty (40) hour course for continuing education that is primarily designed to update polygraph examiners having completed the APA PCSOT 40 hour course and are in need of PCSOT continuing education hours. All examiners may attend to learn more about testing sex offenders.

Seminar content includes:

- Understanding diagnostic and screening exams.
- New (to some) testing approaches for:
 - Testing the crime of conviction allegation
 - Testing unreported sex acts against victim of crime of conviction
 - Testing other allegations before conviction but not charged
- Three approaches to testing the sexual history
 - Updated sexual history documentation
 - Target selection and questions for maintenance testing
- Test Question Construction practical exercises
- Reporting Examination Results
- Countermeasures

August 9 - 13, 2010

(40 Hours total / 8AM – 5PM)
